THE NOMINATION COMMITTEE'S REPORT AND PROPOSALS FOR THE ANNUAL GENERAL MEETING IN ELOPAK ASA 12 MAY 2022

1. THE NOMINATION COMMITTEE – SUMMARY OF ACTIVITIES

Since the annual general meeting in 2021, the Nomination Committee in Elopak ASA (the "NomCom") has consisted of Tom Erik Myrland (chair) and Terje Valebjørg.

The NomCom has held two formal meetings, as well as discussions by telephone and e-mail exchange.

In addition, several informal meetings have been held to discuss and decide on how the NomCom would fulfil its responsibilities. An annual schedule has been established and processes have been agreed on assessment of need for changes to the board of directors (the "Board") as well as assessment of level of compensation. The same applies for the NomCom. The NomCom has also defined the process for seeking input from Shareholders regarding NomCom responsibilities. Furthermore, the NomCom has agreed the framework to be used when conducting searches for new Board and NomCom members. Finally, administrative and documentation procedures for the NomCom's work have been agreed.

To help assess the Board effectiveness and possible need for changes to the size of the Board or the need for changes to individual Board members, the NomCom has held individual discussions with each Board member (both shareholder and employee elected), with the CEO Thomas Körmendi and other key members of the management.

The NomCom has also conducted review and discussions with a selection of Elopak ASA's largest shareholders to inform about the NomCom's work and to seek input on the NomCom's proposals for this year's upcoming annual general meeting.

2. THE NOMINATION COMMITTEE – OVERALL ASSESSMENT

Based upon interviews with Board members and key members of management the NomCom has concluded that the Board size and mix of competencies among its members are well balanced. The Board seems to work well as a group. Accordingly, no need for any changes.

Based upon review of relevant benchmark information regarding renumeration for the Board and the NomCom itself, the NomCom has concluded that compensation is in line with Elopak ASA’s overall guidelines and in line with comparable companies. Accordingly, no need for changes.

3. PROPOSAL - ELECTION OF BOARD MEMBERS

All current shareholder-elected Board members of Elopak ASA elected at the 2021 annual general meeting were elected for 1 year and is accordingly up for electing in 2022. Manuel Arbiol Pascual was elected as an observer until 2023 and is thus not up for election.
